Teaching evaluation (Veranstaltungskritik, VKrit)

▪ Teaching evaluation today

- No one from the Fachschaft students could make it to the lecture at this time.
- They asked me to initiate the evaluation myself.

▪ Your task

- Go to <https://go.upb.de/vkrit>
- Evaluate the lectures using the following passcode: **SSWJH**
- Evaluate the tutorials using the following passcode: **72Z7A**

▪ Today's lecture starts in 15 minutes

- Try to finish the questionnaires by then.

▪ Notice

- If less than 10 students are there today, the evaluation is done only if you all agree to do it.
